

RESOURCES, ENVIRONMENT AND REGIONAL SUSTAINABLE DEVELOPMENT IN NORTHEAST ASIA

10-15 June, 2014, Changchun

(2nd Announcement)

In order to foster the academic exchanges among countries in Northeast Asia and strengthen the international cooperation in the fight against the problems occurring in the regional eco-environment as well as the human society, the international conference on *Resources, Environment and Regional Sustainable Development in Northeast Asia* will be held in Changchun, China, from June 10th to 15th, 2014, which is jointly sponsored by the Northeast Institute of Geography and Agroecology, CAS, the Pacific Geographical Institute, FEBRAS, and the Institute for Water and Ecology Problems, FEBRAS. We sincerely welcome researchers from various fields in different countries in the world to this conference to share ideas and promote the development of related disciplines.

In this circular of announcement, you will be able to find some detailed information to help you plan your trip accordingly.

1. Time and Venue

Time: June 10th to 15th, 2014 (from Tuesday to Sunday)

Venue: IGA, Changchun, Jilin

2. Sponsors

Northeast Institute of Geography and Agroecology, CAS

Pacific Geographical Institute, FEBRAS,

Institute for Water and Ecology Problems, FEBRAS

3. Topic: Resources, Environment and Regional Sustainable Development

Themes for the symposium include:

(1) Ecological process and function

(2) Cognition, Protection and Management of Resource and Environment

(3) Region Development and Remote Sensing Application

4. Presentation information

Oral presentations:

Due to time limitations, each oral presentation should be controlled within 20 minutes, including discussion. A computer and multimedia projector will be available in each meeting room.

Poster Presentations:

Posters will be allowed to be presented somewhere in the conference. Poster size is confined to **80_{mm} × 180_{mm}**.
